What they say

"Given the 23% growth we have experienced in our subscriptions.... there is no doubt in my mind that the solution you presented played a major role - not only in improving our existing customer satisfaction, but also in aiding our efforts to attract new subscribers"

Ignatius Kusiak Director of Publishing, The Tablet

"We have found Air Business to be a good all round distribution management company with a hands on management policy, a quality customer service attitude and a very pro-active team seeking out new routes, suppliers and services throughout the world. This ensures their services meet our needs at Informa, and our customers' needs in getting their products safely and on time.

I would therefore not hesitate in recommending Air Business to any company needing a first class distribution service provider. They continue to streamline our distribution model working with us to find better, more cost effective ways to manage our business. Their buying techniques are second to none."
